Spotlight on KS1...

KS1 went WILD at CHESTER ZOO on Wednesday 8th May.

KS1 are learning about 'Animals Around the World' and studying which continents different animals come from. We also learnt about animals in danger of extinction. We discovered that Rainforests are being destroyed and so many animals are losing their habitats! The children behaved perfectly and we were really proud of them all!

Mrs Despard (Deputy Principal)

The children loved the beautiful lioness from the continent of AFRICA

Beech Class enjoying their packed lunches after spotting the snow leopards!

We watched the giraffes being fed and noticed their huge, long tongues!
