

Focus on Y5&6.
As part of their Sun, Moon and Stars topic the children were able to experience SPACE up close and personal thanks to a visit from the Wonderdome planetarium. They were transported on a cosmic journey exploring the wonders of the universe. I 'wonder' if we may have inspired the first OLDHAMMER on the moon? Children used what they had learnt to make models of the phases of the moon!

Pupil Of The Week

Reception 1	Estrella
Reception 2	Waddah
Larch	Roman
Beech	Essa
Willow	Musa
Maple	Amina
Woodlands	Eiliyah
Chestnut	M. Ibrahim
Ash	Abdul
Sycamore	Hannan
Elm	Sharifan
Oak	Lilian
Principal	M Bin

If exploring Space wasn't enough, years 5 & 6 also took the tram to the City Centre to explore Manchester Cathedral as part of their R.E topic on Churches. The children were able to experience in real life, what they had learnt in class about the features of a church. They behaved excellently and, as always, did Broadfield proud!
