

Wishing you all a healthy and happy new year!

Years 5 and 6 had a real treat when OLDHAM THEATRE WORKSHOP brought their amazing production of 'Tales of The Toy Mender' to our school hall. The children (and staff) were blown away by the performance, one child said 'The hairs on my arms stood up when they sang!' Our year 6 children then took part in a drama workshop to practice their own skills!

The School-Eco Council took part in the 'RSPB Big Bird Watch' this week. The children listened to bird song whilst counting some of the most common species who visit our school grounds. The most common visitors were tree sparrows and magpies but we didn't spot a single starling? Did you know that feeding the birds is really important for our ecosystem, especially in these Winter months!
